+ Antica Farmacista
For over a quarter century, the Italian fragrance and apothecary collection from Antica Farmacista has captured Old World European charm and mystery with signature scents for home and body. The Home Ambiance Fragrances utilize open neck bottles inserted with wooden reeds that diffuse refined and unique scent marriages such as pomegranate and currant. \$58 for 250 ml and \$88 for 500 mL.

+ Audi R8
The 21st century sports car has arrived. It's dangerous-looking with a mid-engine layout, quattro® permanent all-wheel drive, aluminum body and carbon fiber everywhere. The Audi R8 comes in six-speed, manual or R-tronic automated manual transmission. This 420-hp, V-8 hits 60 mph in just 4.4 seconds, and that makes the price tag totally worth it. Starting at \$102,000.

+ Ellie Parfum
London-based Jessica Dunne created Ellie Parfum to pay tribute to her grandmother who loved to find obscure fragrances on her travels. With the help of the legendary perfume company Art at Parfum, a youthful fragrance full of modern sensibility was born. Each vintage-looking bottle is packaged with extreme attention to detail and the result is a perfectly wrapped gift. \$180 for .5oz. Available exclusively at Henri Bendel in New York, Studio at Fred Segal Los Angeles, and Luckyscent.com.
